R E S O L U T I O N

RESOLUTION GRANTING VOLUNTARY SUSPENSION OF PASSENGER
STAGE CORPORATION CERTIFICATE OF PUBLIC CONVENIENCE
AND NECESSITY HELD BY ABRAHAM NEWMAN, PSC-1465.

Abraham Newman (Newman) holds a certificate of public convenience and necessity as a passenger stage corporation (PSC-1465) for the transportation of passengers and their baggage between points in the City of San Francisco, on the one hand, and Sausalito, on the other hand.

On September 27, 1988 Newman requested voluntary suspension of PSC-1465. He could not continue to operate since an emergency caused by the death of a relative made it necessary for him to leave the United States for several months. Several alternate means of public transportation between San Francisco and Sausalito are available.

Under the circumstances, the Commission finds that public convenience and necessity do not require the service of this carrier at this time.

IT IS ORDERED that:

1. The certificate of public convenience and necessity granted to Abraham Newman is hereby suspended for the period of one year commencing on the effective date of this resolution.

2. Newman is authorized and directed to file suspension supplements to the tariffs and timetables on file with the Commission.
3. Prior to the resumption of service, tariff and timetable supplements cancelling the suspension supplements shall be filed. The required filing shall be made on not less than five days notice to the public and to the Commission.
4. The authority to suspend operation granted herein shall expire one year from the effective date of this resolution or upon earlier resumption of service, which may be accomplished through compliance with Ordering Paragraph 3 above.
5. Newman is placed on notice that commencement of operations under the certificate that is the subject of this resolution without complying with Ordering Paragraphs 3 and 4 may cause further suspension or revocation of his operating authority.

The Executive Director shall mail a copy of this resolution to:

Abraham Newman
20 Lomita Ave.
San Francisco, CA 94122

This resolution is effective today.

I certify that this resolution was adopted by the Public Utilities Commission at its regular meeting on OCT 26 1988.
