

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Resolution TL-18271
Transportation Division

RESOLUTION ADOPTING FILING REQUIREMENTS TO IMPLEMENT AB 3490
CONCERNING WORKERS' COMPENSATION CERTIFICATE OF INSURANCE
COVERAGE AND A CERTIFICATE OF CONSENT TO SELF INSURE

In the 1988 legislative year, AB 3490 (Moore) was passed and signed by the governor. AB 3490 directs the Commission to establish a program that monitors the workers' compensation insurance coverage of existing highway common and permit carriers. AB 3490 mandates the Commission not to issue or authorize the transfer of any certificate or permit unless the carrier makes specific showings in the areas of safety and certification of maintaining adequate workers' compensation insurance coverage.

The Transportation Division staff, in cooperation with the Department of Insurance, the Department of Industrial Relations and insurance companies who are authorized to write workers' compensation insurance in California, has prepared a proposed Certificate of Workers' Compensation Insurance Coverage and a Certificate of Consent to Self-insure issued by the Director of Industrial Relations for approval of the Commission.

The proposed certificates of insurance are attached.

I certify that the foregoing resolution was duly introduced, passed and adopted at a conference of the Public Utilities Commission of the State of California, held on the 19th day of December 1988, the following Commissioners voting favorably thereon:

- STANLEY W. HULETT
President
- DONALD VIAL
