RESOLUTION SUSPENDING THE HIGHWAY COMMON CARRIER CERTIFICATE
AND HIGHWAY CONTRACT CARRIER PERMIT OF MICHAEL L ALEXANDER DBA MIKE
ALEXANDER TRUCKING (T-110,103) FOR FAILURE TO PASS CALIFORNIA HIGHWAY
PATROL VEHICLE SAFETY INSPECTION AND TERMINAL INSPECTION

Michael L Alexander dba Mike Alexander Trucking (T-110,103) holds authority as a Highway Common Carrier and a Highway Contract Carrier.

The California Highway Patrol (CHP) has statutory authority in the area of safety of Highway Permit Carriers under PU Code Section 3774(g).

The California Highway Patrol (CHP) has informed the Commission that it has performed three evaluation inspections of Mike Alexander Trucking. All three inspections resulted in unsatisfactory ratings with vehicles being placed out-of-service for imminently hazardous mechanical defects each time. After each inspection Mr. Alexander was advised of the requirement to comply, and of the consequences of continued noncompliance, including loss of operating authority. Accordingly, the CHP has recommended suspension of these operating authorities.

IT IS ORDERED that:

1. The Highway Common Carrier certificate and Highway Contract Carrier permit of Michael L Alexander dba Mike Alexander Trucking (T-110,103) are suspended.
2. If Alexander wishes to challenge the suspension he should file an application with the Commission's Docket Office, asking that his suspension be lifted and requesting a prompt hearing. (The Public Advisor's Office (telephone (415) 557-0890) is available to provide information about how to file an application.) Upon receipt of such an application, the Commission will set a hearing as soon as possible. Alexander may also request reinspection by the California Highway Patrol.
3. Alexander shall conduct no operations as a Highway Common Carrier or Highway Contract Carrier during the period of suspension.
