RESOLUTION EXTENDING VOLUNTARY SUSPENSION
OF PASSENGER STAGE CORPORATION CERTIFICATE
OF PUBLIC CONVENIENCE AND NECESSITY HELD
BY GOLDEN STATE LIMOUSINE, INC., PSC - 978

Golden State Limousine, Inc. of Santa Clara, California, holds a certificate of public convenience and necessity as a passenger stage corporation (PSC-978) for the transportation of passengers and their baggage between certain points and areas in the Counties of Alameda, San Mateo, Santa Clara, and Marin, and the City and County of San Francisco, on the one hand, and the San Francisco International Airport (SFO), Oakland International Airport (OAK) and San Jose Municipal Airport (SJC), on the other hand. The certificate was acquired pursuant to Decision 90233 dated April 24, 1979 in Application 58395.

On August 23, 1987 Golden State Limousine, Inc. requested voluntary suspension of PSC-978 for family health reasons. This status was granted for a period of one year by Resolution TL 18246, dated October 16, 1987. In a letter dated November 3, 1988 the Commission staff informed Eloise Brown of Golden State Limousine, Inc. that unless the carrier resumed operations within 20 days, the staff would recommend to the Commission that PSC-978 be revoked. On November 29, 1988 Ms. Brown replied in a letter which stated that she had only that day received the staff's communication at her temporary address in Denton, Texas. She also stated that she was still recovering from recent surgery and asked that the operating authority of Golden State Limousine, Inc. be placed on suspension for an additional 12 months.

In these circumstances, the Commission finds that public convenience and necessity do not require the service of this carrier at this time.

IT IS ORDERED that:

1. The certificate of public convenience and necessity as a passenger stage corporation (PSC-978) which was acquired by Golden State Limousine, Inc. pursuant to Decision 90233, dated April 24, 1979 in Application 58395, is hereby suspended for a period of 12 months from the date of this resolution.
2. Golden State Limousine, Inc. is authorized and directed to issue further suspension supplements to the tariffs and timetables on file with the Commission.
3. Prior to the resumption of service, tariff and timetable supplements cancelling the suspension supplements shall be filed. The required filings shall be made on not less than five days' notice to the public and to the Commission.
4. The authority to suspend operations granted herein shall expire one year from the date of this resolution or upon earlier resumption of service, which may be effected upon compliance with Ordering Paragraph 3 above.
5. Golden State Limousine, Inc. is placed on notice that commencement of operations under the certificate referred to herein prior to compliance with Ordering Paragraphs 3 and 4 may be cause for further suspension or revocation of its operating authority.

The Executive Director is directed to mail a certificate copy of this resolution to:
