

As President of the NCRA, I would like to personally invite you to this year's conference which will be held in San Francisco on June 16-19, 2013. In order to ensure that we have a sufficient number of attendees, I would appreciate it if you could forward this "Save the Date" flyer to anyone you believe might be interested in attending this conference. This includes consumer advocates, state consumer counsels, and other consumer oriented advocacy organizations. Looking forward to seeing you in June!

Jason Zeller, President

NCRA 2013
