Subject: FW: OEEP Meeting and Dinner - Friday, January 15th - CWA Office and Holiday Inn Civic Center

Hi Brian,

I understand Sid is on vacation, is it possible for you to attend or send other people from PG&E for January 15th meeting?

Also, on March 12, 2010, two of the Commissioners (Commissioner Dian Grueneich and Commissioner John Bohn) will be visiting San Jose Water Company to review the completed OEEP projects, please let me know if PG&E want to participate or at least attend. This will be similar to Alco Salinas meeting which took place on October 16, 2009, which PG&E was not able to attend. March 12th meeting will be similar to Alco Salinas meeting, which took place on October 16, 2009, which PG&E was not able to attend.

Subject: OEEP Meeting and Dinner - Friday, January 15th - CWA Office and Holiday Inn Civic Center

All:

I am writing to follow up on Raj Naidu's earlier e-mails and to invite you to attend a two-part meeting and dinner next Friday, January 15th, beginning at California Water Association's office in Opera Plaza (601 Van Ness Ave., Suite 2047), with dinner at the Civic Center Holiday Inn. As you know, considerable progress has been made on the operational energy efficiency program (OEEP), and most, if not all, of the pump and motor projects will be operational by the end of January. I think all interested parties would be well-served if we convened for an update and information exchange.

The business meeting, which will take place from 3:00 – 5:00 p.m., is designed to update the California PUC Energy and Water Division – as well as other Commission staff – on the progress that has been made with the water utilities' OEEP projects. The dinner will follow at the Holiday Inn Civic Center (50 Eighth Street/415.626.6193 – a half block south of the intersection of Market, Grove and Hyde Streets, about 5 blocks from the PUC). Please let me know via an e-mail response by COB Monday whether you will be attending the business meeting, the dinner, or both.

Here is the agenda for the meeting:

3:00 – 3:15 Opening Remarks and Status of Petition for Modification of Decision 08-11-057

3:15 – 4:45 Water Utility Briefings on OEEP Pump & Motor Projects/PRV Replacement-Hydro
