Subject: RE: Mtg. to discuss pre-approval and contract amendments

Meredith,

I'm heading out the door, but wanted to let you know that I had called to try and re-schedule the meeting we had set-up next week regarding possible streamlining of short-term, former QFs, contract amendments, etc. Unfortunately, Paul is not available that day. He is actually available this Friday afternoon, after 2:30pm. Otherwise, Friday, Feb 5th is available.

Subject: Mtg. to discuss pre-approval and contract amendments

Meredith,

As I mentioned last week, ED would be interested in meeting with PG&E to discuss the pre-approval proposal included in PG&E's 2010 draft RPS Procurement Plan. I have also spoken previously with Evelyn Lee and she indicated that she is interested in discussing PG&E's contract amendment proposal which is also included in PG&E's draft Plan.

ED is open to discuss both proposals at the same meeting or if separate PG&E staff are involved separate meetings can be arranged. Next Wed (27th) afternoon (between 1pm and 3pm) or Thursday (28th) (9am 11am or 1-2pm) are times that ED is available.

Thank you,
Cheryl
