Dear Mr. Cherry:

Re: Letter Requesting Extension of Time

I am in receipt of your letter dated January 25, 2010 requesting a further extension to February 26, 2010, for Pacific Gas and Electric Company (PG&E) to file its 2010 Rate Design Window (RDW) Application and the two-part peak time rebate residential rate proposal that Decision 09-03-026, Ordering Paragraph 9, requires PG&E to present. By letter dated October 23, 2009, I previously extended the time for the filing from November 25, 2009 to January 29, 2010.

For the reasons specified in your request, an extension of time is granted. The filing date for PG&E's 2010 RDW application and the two-part peak time rebate residential rate proposal is extended to February 26, 2010. As required by Rule 16.6 of the Commission's Rules of Practice and Procedure, you must promptly inform all parties to the proceeding of this extension. The opening paragraph of your document must state that I have authorized the extension.

Sincerely,

A handwritten signature in black ink, appearing to read "Paul Clanon", with a long horizontal line extending to the right.
