Georgetta:

The CHP folks have discussed this Frank and the consensus is that we need to have an in person discussion before it makes sense to mark up the IOU draft. That discussion is scheduled for Tuesday at 9 AM. Thanks. Jerry

All--

Attached are the IOUs' proposed revisions to Sections L and M of the 12/8 Term Sheet. We have not yet received feedback from the CHP coalition; however, given the time constraints, we thought it best to circulate this version to the broader group now.

Jerry, if we can arrange a time to talk this week, that would be helpful.

Regards,

Georgetta

Subject: Feb 1-3 CHP Negotiations Reminder/Security

Importance: High

Good Afternoon,

A reminder that we will be meeting starting at 9am Monday February 1st at 101 California Street (Winston and Strawn). If you plan to attend, please let me know by end of day tomorrow (Thurs) so I can create a security list.

As mentioned in previous emails, we will start early and go late. I highly recommend flying in Sunday night if at all possible to make Monday productive. We will plan on working as long as needed to get things finished (including into the evenings).

Thank you all for your hard work on the homework assignments. We will arrange the 3 days by going through the homework list one by one and resolving each issue. In order to keep things moving, we will work for an hour on each issue, and if for some reason we don't have resolution, we will table it and move onto another issue. By Day 3, we should have a very short list of issues to deal with.

Finally, think solutions rather than problems. I think we all understand the issues fairly well, so we should be able to move right along to solutions.

Thanks so much, and we'll see you on Monday!

Melissa
