Subject: DFEEQP Working Group -- Updated Agenda for February 3 Workshop on
Incremental Energy Efficiency

DEMAND FORECAST ENERGY EFFICIENCY QUANTIFICATION PROJECT WORKING GROUP

PLEASE SEE IMPORTANT INFORMATION BELOW REGARDING DATES AND SCOPE FOR TWO WORKSHOPS: THE FIRST WORKSHOP IS FOR TECHNICAL QUESTIONS, THE SECOND IS FOR POLICY DISCUSSION.

Working Group,

The agenda has been updated for the February 3, 2010 Staff Workshop on Incremental Impacts of Energy Policy Initiatives Relative to the Adopted Demand Forecast .

For more information:

http://www.energy.ca.gov/2009_energy policy/documents/index.html#020310

(If link above doesn't work, please copy entire link into your web browser's URL)

We will be holding **two workshops** at the Energy Commission -- each with a different focus:

- **TECHNICAL WORKSHOP, February 3, 1-4.** Energy Commission Staff workshop on technical issues related to the incremental uncommitted energy efficiency analysis. ***This is the time/place to ask technical questions*** regarding methods for crafting and producing the uncommitted incremental energy efficiency results, i.e., the analyses presented and discussed in the Itron report.
- **POLICY WORKSHOP, Date to be announced.** A second workshop will be held with Energy Commission Commissioners, at a later date, TBA, likely sometime the week of February 8. ***This is the time/place to discuss policy implications*** of the incremental uncommitted analysis and information contained in the Energy Commission Staff report. The date and time for the workshop will be finalized and announced very soon.

Per prior communication:

- The Energy Commission staff report contains policy and background discussion, and presents the summary results of the incremental uncommitted energy efficiency analysis conducted by Itron in conjunction with Energy Commission staff.
- Itron's analyses and detailed results are presented in a report that is an attachment to the Staff report -- Attachment A.

Thank you.

C.

Chris Ann Dickerson
