Subject: Meeting to discuss intermediate term needs
Trina:

The Energy Division met with Mirant representatives yesterday where they presented Mirant's proposal to convert Pittsburg Unit 5 and Unit 6 and retire Unit 7. PG&E had already apprised the PRG of this proposal back in April/2009. Bob and I would like to have a meeting with PG&E to get an update on this proposal and on how PG&E intends to fill the intermediate term needs created by the Mirant retirements (Potrero, Pittsburg 7, Contra Costa 6 and 7). Could you please set up this meeting? Thanks.
