Subject: FW: Staff Contact for PG&E Reimbursement of CPUC's Smart Meter Evaluation

Bruce: Here is the name of the PG&E person that will be your official contact for reimbursement. I am sure that we will need to discuss process for this eventually. [Redacted] (email above) would be the best contact for process related discussions.

Thanks, Dan

Dan- I got an autoreply from Sid that he is out until next week. Thought I'd forward this request to you to see if you can move this along at PG&E.

Thanks,

Bruce

Subject: Staff Contact for PG&E Reimbursement of CPUC's Smart Meter Evaluation

Sid-

Last week, the CPUC issued a ruling directing PG&E to reimburse the CPUC for its costs incurred for the independent smart meter evaluation.

Our Fiscal Office needs specific contact information for the PG&E staff person who will handle the reimbursement on PG&E's end. Here's what we need:

Name

Mailing Address

Phone Number

Email Address

Thank you,

Bruce
