Subject: Invitation - OEEP Meeting & Tour - 03/12/10

Attached is your invitation, with agenda, for the next meeting of the Operational Energy Efficiency Program members and guests. The meeting is scheduled from 10:00 AM to 2:00 PM on 03/12/10, at San Jose Water Company's Bascom Ave Campus. This meeting features, (1) a remote demonstration of the efficiency optimization software for two San Jose Water Company pumps and (2) field inspection of the two pumps and the software platforms.

I am pleased to inform you that our honorable guests, Commissioners Dian Grueneich and John Bohn, have confirmed their participation.

Please RSVP if you plan to attend, as seating on the tour bus is limited. Lunch will be provided.

Feel free to forward this e-mail to other members of your organization and extend our invitation.
