Subject: afternoon beverage

All -

For anyone interested in an afternoon drink, I am heading over to Capital City over near the Renaissance hotel (the bar is at 11th & H) around 4:30. It should be happy hour by then. Pass along to anyone that might be interested. The place is big so it can handle a large crowd.

Directions: Exit the ren; turn left; turn right at the first light; walk two blocks. Simple, easy and close. (if its not, I'll buy ya a beer)

Also, in wonderful government-related employees/technology news, I am unable to send any messages from my blackberry, so if you need/want to get ahold of me just give me a ring or send me a text @ 415.265.9516.
