Subject: RE: PG&E's Advice 3612-E (Service List R.08-08-009)

PG&E,

In this advice letter, PG&E states that, "Accordingly, in compliance with Resolution E-4278, PG&E provides a summary of the Puget hedge transactions and documents the final fixed price obtained as a result of the hedging strategy in the attached Confidential Appendix A." Confidential Appendix A to advice letter (AL) 3612-E provides the following information, "The average price of the winning offers in the RFO was [redacted by Energy Division staff]." Based on the limited information provided in Confidential Appendix A, it doesn't appear that PG&E's AL 3612-E provides "the fixed price PG&E obtained as a result of its hedging strategy" as required pursuant to Resolution E-4278. Please explain how AL 3612-E complies with Resolution E-4278 by February 23, 2010.

Regards,  
Sean
