NOTICE OF EX PARTE COMMUNICATION

Pursuant to Rule 8.3(a) of the Commission's Rules of Practice and Procedure, Pacific Gas and Electric Company (PG&E) hereby gives notice of the following ex parte communication. The communication occurred on Friday, February 12, 2010, at approximately 2:30 p.m. by telephone to the offices of the California Public Utilities Commission. The communication was oral. [Rule 8.3(a)(1)]

Sidney Dietz, Director, Regulatory Relations, PG&E, initiated the communication with Andrew Campbell, Advisor to Commissioner Nancy Ryan. [Rule 8.3(a)(2)]

Mr. Dietz stated that PG&E is supportive of the changes in the Proposed Decision. Mr. Dietz noted that the delay in implementation for some customers would mean that some costs associated with implementation would fall outside of the methods for recovery addressed in other parts of the decision. Mr. Dietz suggested that some costs slated for 2010 would fall after 2010, and that the decision should be modified to allow for tracking, recovery and review of these costs. [Rule 8.3(a)(3)]
