Thanks, Raj. I don't believe that anyone that I listed will be making remarks. We are just there to learn.

thanks,

Hi Tom,

Thank you for the invitation. Several folks from PG&E would like to attend this meeting to learn more about the details of this pilot. To date, I have confirmations for the following: [Redacted]
[Redacted] There may be a couple of others who would also like to join us. We can follow the tour bus in separate cars if the bus is full.

Looking forward to it.

Attached is your invitation, with agenda, for the next meeting of the Operational Energy Efficiency Program members and guests. The meeting is scheduled from 10:00 AM to 2:00 PM on 03/12/10, at San Jose Water Company's Bascom Ave Campus. This meeting features, (1) a remote demonstration of the efficiency optimization software for two San Jose Water Company pumps and (2) field inspection of the two pumps and the software platforms.

I am pleased to inform you that our honorable guests, Commissioners Dian Grueneich and John Bohn, have confirmed their participation.

Please RSVP if you plan to attend, as seating on the tour bus is limited. Lunch will be provided.

Feel free to forward this e-mail to other members of your organization and extend our invitation.
