Re: Online Discovery Access Instructions

PG&E's public discovery in A.09-12-002 is now available to the service list for this proceeding. Members of the service list may view non-confidential discovery data requests and responses, pleadings, testimony, and other public documents on the restricted access portion of PG&E's Internet site. All documents are searchable by properties (such as filing party and date filed), and by content (specific words and phrases). Please see the attached access instructions.

<<InternetDiscoveryAccessInstructions.doc>>

Also, attached for your convenience is an Internet Discovery Access Agreement, which is found at the end of the registration process and discussed in the attached instructions.

<<InternetDiscoveryAccessAgreement.doc>>

Note: For expedited process, please return the executed Internet Discovery Access Agreement directly to Lauren Rohde at LDRi@pge.com or facsimile (415-973-3574). An original hardcopy is not required via mail to PG&E if faxed or e-mailed.

PG&E will provide confidential discovery data requests and responses to the Division of Ratepayer Advocates and to parties who have signed a non-disclosure agreement with PG&E for this proceeding. If you are interested in executing a non-disclosure agreement, please contact Cory Mason in PG&E's Law Department at (415) 973-2320 or CMMw@pge.com.

Please contact me with any questions about this process.

Thank you for your attention to this matter.
