Subject: DRA Protest to AL 3610-E

David,

I am forwarding a copy of the confidential version DRA's protest to Advice Letter 3610-E. Prior to serving a public version to the relevant service lists, DRA is providing a copy to PG&E to confirm that confidential material is accurately identified and in turn redacted in the public version. The portions of the protest that DRA believes are confidential are marked in gray. In addition, the table on page 3 will be redacted in its entirety. If there is additional material that PG&E believes should be redacted, please return a copy of the document with the additional material marked. DRA's intention is to serve the public version of the protest with the marked confidential portions on Monday, March 1, 2010, unless PG&E requests any changes.

Per your request, I have copied the PG&E personnel indicated in your February 17th email.

Thank you,
