Subject: RE: PG&E Data Response - Big Creek PPA \*Confidential - Protected Under Decision 06-06-066 and Decision 08-04-023\*

Meredith and Sandy,

I am hoping you can help reconcile several different representations that PG&E has made of its 2009 RPS shortlist. In PG&E's data response to the Big Creek data request PG&E included a copy of their 2009 RPS shortlist (attached). This shortlist shows different projects and in some cases different prices than the shortlist emailed to Energy Division on 11/23/09 and PG&E's 2009 RPS Shortlist Report shows different information still. Can you clarify please?

Regards,  
Sean

Also attached is a confidentiality declaration and matrix, which outlines PG&E's request for confidential treatment.

A hard copy of this data response has also been provided to you in today's mail. Please contact me if you have any questions.
