Subject: RE: R0911014 PHC Proposals due 3/11 request extension

Greetings:

I will be extending the date by which interested Parties may serve written proposals (that set forth how the Commission's EM&V protocols and processes should be examined to determine savings achieved through the utilities' energy efficiency programs for the post-2012 period, and that identify and prioritize issues related to the implementation of energy efficiency programs by Community Choice Aggregators) in R.09-11-014. Rather than the March 11, 2010 date set forth in the ruling that set the Prehearing Conference (PHC), proposals will be due by C.O.B. Monday, March 15, 2010.

**Proposals** need not be filed with the Commission's docket office. **Be** advised however, the

date for the PHC and reply comments will NOT be changed. While membership on this or any other email does not confer party status in R.09-11-014, as part of my ruling extending the deadline for filing proposals I will direct parties to the proceeding to serve a copy of their proposals on the R.03-10-003 service list. Rather than direct inquiries to the Commission's docket office, entities and individuals wishing to become a party in R.09-11-014 should consult the OIR for the proceeding ([http://docs.cpuc.ca.gov/word\\_pdf/FINAL\\_DECISION/110439.doc](http://docs.cpuc.ca.gov/word_pdf/FINAL_DECISION/110439.doc), at pages 5-7) which spells out the process for being added to the service list.

Yours truly,

Darwin E. Farrar,

Administrative Law Judge

California Public Utilities Commission

**Subject:** R0911014 PHC Proposals due 3/11 request extension

Dear ALJ Farrar,

The organization I represent, Women's Energy Matters (WEM), is happy that the new Rulemaking on energy efficiency, R0911014, is moving forward, and we are pleased about the early focus on EE under Community Choice (CCA), since we are involved in this issue in Marin County. WEM has been active in almost every energy efficiency proceeding since 2001, but unfortunately we were dropped from the service list for this proceeding.

WEM only received your March 3rd ruling late Monday afternoon March 8th, when it was forwarded to the Community Choice service list. This gives us only three days to write prehearing proposals (due March 11) on two complex issues - identifying and prioritizing issues regarding Community Choice and recommending protocols and processes for Energy Division's review of EM&V. (Based on the timeline in the current Ruling, parties' comments on the PHC proposals are due Thurs. afternoon - *after* the PHC.)

We request an extension of time until at least Monday, March 15th for parties to serve these proposals, and ask that the PHC be moved to the following week (at the earliest, Tues. March 22nd). We regret any inconvenience to anyone. We believe that there are other parties who would want to participate, who were also dropped from the list.

We note that the service list for this proceeding is unusually small - only 72 names - although the latest service list in the energy efficiency Rulemaking R0604010 has 302 names, and 2010-12 EE Applications A0807021 has 339 names. Generally, the Process Office includes all parties who were on service lists for prior proceedings. I ask that your ruling - and any response to this request - be re-served to all parties on these lists as well as R0310003 (Community Choice).

Thank you for considering this request. I am copying the Process office with this email, asking them to put WEM on the R0911014 list. I am also sending it to the other energy efficiency and CCA service lists.

Sincerely,

/s/ Barbara George

**R.03-10-003 service list:**

**In case you may not have received this courtesy notice from R.09-11-014, the Ruling mentioned herein sets a Prehearing Conference for March 18, 2010 at 10:00 a.m. in the Commission's Courtroom, State Office Building, 505 Van Ness Avenue, San Francisco, California.**

"Order" 2 of this Ruling states:

"Interested Parties may serve written proposals that set forth how the Commission's EM&V protocols and processes should be examined to determine savings achieved through the utilities' energy efficiency programs for the post-

2012 period, and that identify and prioritize issues related to the implementation of energy efficiency programs by Community Choice Aggregators."
