Subject: RE: Program Design/EM&V Meetings

All -

Due to the end of March/beginning of April personnel conflicts with holidays, injuries, etc. between the CPUC, the IOUs and the regulatory schedules, we are rescheduling the second round of debriefing meetings as follows:

April 5 - HVAC, PEC reserved and confirmed space w/PG&E, All Day

April 6 - Codes & Standards/New Const. (Res/Non-Res) CPUC Courtyard Room All Day

April 9 - Residential + Lighting - CPUC Golden Gate Room, All Day

April 14 - Commercial + Lighting - PEC reserved **BUT NOT CONFIRMED space** w/PG&E, all day

April 15 - Industrial/Ag - PEC reserved **BUT NOT CONFIRMED space** w/PG&E, all day

I can't schedule anything at the CPUC during the week of April 12, and am uncertain about PG&E's ability to confirm use of the Green Room for April 14 & 15, but this should be resolved by next Monday or Tuesday. I will keep you posted. Also, I should have an agenda to ship out late Monday.

Please have a good weekend and please also forward this message on the IOU sides of EM&V and Programs for information only! I am sending this to you from home and do not have current emails for all relevant email addresses - (Carol - please make sure that Michelle and Holly see this!!!)

Thanks,

Anne
