Jennifer,

I'm wondering if it might make sense for us to first meet on Friday to review the 60 day/120 day plan expectations as well as implementation/outreach efforts and then schedule the meeting on reporting expenditures (which will be directly linked to supporting the plans)? Just a thought. If that works for you, I'll check when folks at PG&E are free next week.

Best,
Erin

Hi,

I hope everyone enjoyed their weekend. I realized we should also set up an additional meeting as soon as possible to determine which details to include in the monthly reports on expenditures. I don't know if all three of you need to be there for that or if it is a discussion for Erin and I. I am available this Thursday before 1 or after 2:30, or anytime next week except for Thursday afternoon. Hopefully an hour will be plenty of time for us to figure it out.

Thanks,

Jennifer
