Subject: RE: Copy of Confid Electricity and Gas Hedging Plan - for Hardcopies and for Trina

Hi Trina,

I got your voice mail. My previous email addressed your second question. To your first question, I am looking for an updated version of the 2006 conformed LTPP, with replacement sheets embedded in the plan. I would also appreciate a brief summary of the changes that have been made since the conformed 2006 LTPP was adopted by resolution. Thanks!

Best,

Hi Simon, per your request, attached is the electronic version of PG&E's Conformed LTPP Appendix B. I will send the hard copy over, together with the 4 full bound copies of the LTPP that you requested, separately. I left you a message this morning regarding the 4 full bound copies; please give me a call when you have a moment to clarify exactly what you'd like to receive. Thanks,
