Meredith,

In light of the 90-day extension re. Commission review of AL 3547-E and the meetings you are planning regarding Abednego Mojave, an extension of the date to respond to the related data request is granted. I will determine a new date for responding at a later time.

Thanks,
Susannah

CONFIDENTIAL

Susannah,

Attached is the letter agreement extending the final and non-appealable date. The new Commission meeting would be 8/12.

We are planning to gather more information over the next couple of weeks and are hoping to schedule a meeting with Abengoa, SCE, PG&E and Energy Division at the end of the month. I will work on dates and send you some options.

As we discussed, given the transmission issues, we would like an extension of time to respond to the data request until after our meeting.

Thanks,
Meredith
