Meredith,

Ok, let's plan to touch base next Wednesday. Can you give me a quick summary of your discussion with SCE?

Regards,
Sean

Sean,

Our team is working with Abengoa and we have internal meetings to discuss next week. We've also discussed with SCE.

After our internal meeting, I should have better information on timing. I can then work with you to schedule the joint meeting. Does it work to check in with you on Wednesday to schedule? I am out Monday and Tuesday.

Thanks,
Meredith

Meredith,

What is the status of discussions on the transmission needs and timing for the Abengoa project? Energy Division would like to meet jointly with the three parties on this issue soon.

Regards,
Sean
