Subject: Amended PG&E Re-DEC Data Response

Amy:

Per our conversation earlier this week, I am providing you with PG&E's question-by-question response. I am also re-attaching our initial resposne, as it discusses our primary issues in more detail. PG&E would still like to participate in a IOU/CPUC/B&V conference call in the near future. What are the next steps from your perspective?

Please call me with any further questions. Also, please confirm you have received this email, as I have been encountering some problems sending emails to the CPUC this week.

Thanks,
