Subject: Meeting Next week

Karl

My name is John Hughes. I had a meeting with Carol Brown on Rate Design issues this morning and stopped by to introduce myself to you afterwards. However you were not in.

I am in the Regulatory Relations group at PG+E and work primarily on General Rate Case related cases including the Cornerstone reliability improvement program. Over the last several months I have briefed the Commissioner advisors, including Matt Deal, on these issues. Since you are new to President Peevey's office I would appreciate the pleasure of meeting and briefing you on Cornerstone hopefully early next week. I will be out of the office until next Monday.

I plan on bringing Kevin Dasso, a Senior Director at PG+E. with me when we meet. Kevin was the policy witness on Cornerstone and accordingly is very knowledgeable on the subject.

You can contact me via this email or call me at 415-973-3652 (office) or 415-828-0903 (cell) at your convenience. I look forward to meeting you. Thank you.
