QUESTION 2

Please provide the average cost of the retired meters in 2009.

ANSWER 2

PG&E objects on the grounds that the question asks for actual 2009 data, which is not the basis for PG&E's 2011 GRC request. Notwithstanding the foregoing, and without waiving PG&E's right to object to the admissibility of the requested information into evidence, PG&E responds as follows.

The average cost of retired gas meters in 2009 was \$57.34 per meter.
