**QUESTION 5**

Please provide the actual Regular Retirements, Cost of Removal, and Gross Salvage for 2009 as appeared on page WP-11-670.

**ANSWER 5**

PG&E objects on the grounds that the question asks for actual 2009 data, which is not the basis for PG&E's 2011 GRC request. Notwithstanding the foregoing, and without waiving PG&E's right to object to the admissibility of the requested information into evidence, PG&E responds as follows.

Regular retirements, cost of removal (COR) and gross salvage for retired gas meters are as follows:

<b>Year</b>	<b>Regular Retirement</b>	<b>COR Total</b>	<b>Gross Salvage</b>
2009	9,262,786	11,660,398	39,155

Please note that the gross salvage amount stated above is an allocation based on the information provided in the response to DRA\_201-04 (\$.24 X 161,542).
