Subject: RE: Do we need to meet on Friday?

Hi All,

Let's not meet tomorrow, and meet on our regularly scheduled day next Monday. I will send out the agenda for Monday's meeting tomorrow.

Thanks,

Peter

I'd be glad to meet tomorrow as well. We can work through the agenda and start discussing the updates to the custom measure document.

I think we had planned to continue the process. I am available at 8-9 or at 11 or after 2:30.

Subject: Do we need to meet on Friday?

Hi All,

We did not get to the below topics at yesterday's meeting:

1. Development of guidelines such as baselines
2. Non-Disclosure Agreement
3. Utility custom applications submission to ED procedure

Is there a need to meet tomorrow to discuss or can we wait until Monday. If the utilities have had a chance to look over the latest custom measure application review draft document, we can discuss that too, or just wait until Monday. If we'd like to meet tomorrow, do you have a AM or PM preference?

Please let me know by the end of today.

Thank you.

Peter
