Subject: FW: Request for Keynote Speaker; PowerPathway Partner Convening

Hello Bill,

We just wanted to touch base with you on PG&E's invitation for Comr. Simon to be part of the PowerPathway Partnering program on May 14.

As I mention, Melicia Charles is tracking down Comr. Simon's commitments on May 13. Comr Simon will be in the east coast and his schedule is being firmed up.

As I will be out of the office through May 26, Mel will be your contact person for this invitation.

Comr. Simon greatly appreciates this invitation.

Thank you very much,

Karen Shea

Commissioner Simon:

We have not convened our workforce development partners since the event in 2008 on Treasure Island, which was the year that we launched PowerPathway.

We wish all our PowerPathway partners to understand the larger systems approach we are taking with regards to workforce development. The convening is an opportunity for them to see the entire picture, beyond the specific piece that they touch, and meet other players. The program is scheduled for May 14, 2010.

We would like you to again be our keynote speaker if you are interested and available. You were very well received last time as I'm sure you would be this time.

Please let me know if you would like to be a part of the program.

Attached for your ready reference is a draft of the agenda. It has not gone out yet, but we have put your name down in the keynote slot hoping that you can make it.

Thanks in advance for your consideration of this request.

Bill
