Subject: Re: Confidential: Substitute Sheet for PG&E's Advice 3512-E

Redact,

This filing complies with the resolution language. It clearly states information about the RFO, the prices received and the final levelized all-in price - energy plus green attributes. Please use a similar format for subsequent filings. I understand that PG&E plans to also file a substitute sheet for A1 3617-E. Is that still in the works, or did you already file it?

Regards,  
Sean
