QUESTION 1

Define "COS", "PPA-1", and "PPA-2" that are printed in the upper right hand corner of the page.

ANSWER 1

"COS" is intended to illustrate Cost of Service based ratemaking.

"PPA-1" is intended to illustrate the Power Purchase Agreement (PPA) based ratemaking proposal at a levelized price equivalent to the COS.

"PPA-2" is intended to illustrate the PPA based ratemaking proposal at lower bid prices, such as would be the case with a price cap as in the Proposed Decision and Alternate Decision.
