Subject: RE: data request for Mojave Solar AL

Hi Meredith,
Sean Simon mentioned there may be some changes on the timeline for Abengoa Mojave. Would love an update-- do you plan to revise the contract or push back the timeline for AL review?

Thanks,
SC

Subject: data request for Mojave Solar AL

Hello again Meredith!
After a hiatus at grad school and at CEC, I'm back in Energy Division working on RPS issues. It's good to be back!

Attached is a data request for AL 3547-E ,requesting a response by next Fri 3/12. Sean Simon tells me you are the right person to pass along the info to others at PG&E. I am the point person for this AL going forward. Let me know if you have questions.

Thanks,

SC
