Subject: Appointment

Friends and Colleagues:

I wanted to let you know that on Thursday the U.S. Senate confirmed my nomination to the position of Assistant Secretary of the Navy for Installations and Environment.

I'll be sworn in and begin my assignment as soon as Dan and I can arrange our move to DC, probably within the next two or three weeks.

Please, let's stay in touch. This email address will remain in force, as will my cell phone number of Redacted

Best,  
Jackie
