Subject: RE: PG&E's Response to DRA-174-CKT

Clayton:

Please find attached the response to your follow-up question below. I will also be providing hard copies, which will be hand delivered to the Commission this afternoon.

Thanks,

[Redacted]

PG&E's response to Question 1b indicates that the series has been rebased to an index year of 2005, i.e., 2005 = 100.

What was the index year for the data series provided in response to Question 1a?

Will you please forward this to Richard Aslin, or whomever responded to my data request?

Thanks,  
Clayton
