QUESTION 8

For each year from 2008-2011, please identify the annual amount for “non-recurring projects,” and include a copy of all calculations used to determine these amounts, for MWC FI. If there are none, please provide a detailed explanation showing why none are in the forecasts.

ANSWER 8

“Non-recurring Projects” are recorded only in MWC FH. 2008-2011 recorded and forecast expenditures for non-recurring projects are provided in Workpaper 18-16 of PG&E’s GRC Application testimony. There are no “non-recurring projects” recorded or forecasted in MWC FI.
