QUESTION 1

Sophie, I just wanted to follow up on your visit earlier this week. I've started pulling together the information you requested during our post-tour discussion. That information, as I understood, being:

Occupancy rate for the San Ramon Office at 3401 Crow Canyon Road

ANSWER 1

PG&E objects to this request on the grounds that the question asks for actual 2009 data, while PG&E's request is based on 2008 recorded data. Notwithstanding the foregoing, and without waving PG&E's right to object to the admissibility of the requested information into evidence, PG&E responds as follows:

The March 2010 occupancy rate of the San Ramon Office at 3401 Crow Canyon Road is 92.7%.
