Hi John- yes, please follow Docket's instructions, after reviewing the PTM, the Docket Office Advisors felt that it was broader than just the scope of a petition to modify, hence the request for a new application.

thanks.

Dear Shirley A. Woo, Esq., Attorney for Pacific Gas and Electric Company: This is the Docket Office's courtesy notice that pursuant to the directives from the Docket Office Advisor, Administrative Law Judge Maryam Ebke, PG&E's above-referenced Petition for Modification of Decision 08-10-013 (PFM) should be submitted as a new application rather than a petition for modification in the underlying closed proceeding; also, the PFM is seeking modifications that are beyond the scope of D.08-10-013. The filing will be rejected shortly and we respectfully request you to re-submit the document as a new application. The caption may simply state: Application to Modify Decision 08-10-013, and the text portion of the application may be the text of the PFM. Please make sure

a Verification (Rule 1.11) is included as well as Scoping Memo Information (Rule 2.1(c) and Rule 7.1). Please notify the service list that the PFM was not accepted for filing by the Docket Office. Please call if you have any questions. Thank you.
