**QUESTION 10**

In response to Data Request DRA-062, question 8, PG&E provide a detailed breakdown for MWC 78 (Manage Buildings) for 2004 to 2008 recorded capital which included each project name and associated recorded capital. Please provide the same type of information for 2009 recorded capital for MWC 78.

**ANSWER 10 - ORIGINAL**

Please use the attached table, GRC2011-Ph-I\_DR\_DRA\_125-Q10Atch01 which supplements PG&E's response to Data Request DRA-062, question 8, by adding a detailed breakdown including each project name and associated recorded capital for 2009.

**ANSWER 10 – SUPPLEMENTAL**

PG&E objects to this question on the grounds that the question asks for actual 2009 data while PG&E's 2011 GRC request is based upon 2008 recorded data. Notwithstanding the foregoing, and without waiving PG&E's right to object to the admissibility of the requested information into evidence, PG&E responds as follows:

Please use the attached table, GRC2011-Ph-I\_DR\_DRA\_126-Q10-Supp01-Atch01, which supplements PG&E's response to Data Request DRA-062, question 8, by adding a detailed breakdown including each project name and associated recorded capital for 2009.

The attached table has been revised from the original response to include data that was mistakenly omitted. All of the changes in the revised attachment are for 2009. As a result of these changes, total recorded MWC 78 for 2009 increased to \$36,070,000 from \$34,106,000.
