Thanks!

Do I seem terse? Blame the thumb keyboard.

Sid,
I don't know anything about the timing of hearings. The 19th might be the earliest she can do due to her travel schedule, but I'll check.

Andrew --

I heard from your meeting with Chris Johns and Tom yesterday that Commissioner Ryan wanted to

meet with us on the information we will present at the SmartMeter hearings. We have something on the calendar for 19Apr as the soonest date she's available, but that might be too late if the hearings are next week (we have been told it might actually be next week.). You might have more info on the hearing dates. In any case, let me know if the 19Apr date is the right timing or if a sooner date would be better.

Thanks!

yours,

sid
