Julie --

Oh, wow, well, that settles it, doesn't it? We are meeting with her at 1130a on 19Apr. It's a half-hour briefing with our SVPs Helen Burt, Pat Lawicki and Tom Bottorff, of Customer Care, IT and RegRel. In addition to that, would you be interested in spending an hour with Bill Devereaux this Friday, 16Apr, let's say at 200p?

yours,

Julie --

Would you like to get a presentation from PG&E on what it plans to present at SmartMeter hearings on 26Apr in Sacramento? We have a meeting set up with Commissioner Ryan on 19Apr to give her the same information, and I thought you might want to hear it as well. If so, give me a couple of dates that work for you, and if not, I will make sure that Alope is well briefed.

Thanks!
