Thanks. For what it's worth, my schedule next week is not great. I am completely unavailable Tuesday. Wednesday and Thursday I will be in Sacramento both mornings for budget hearings, and I am also likely in Sacramento Monday morning for the Senator Florez Smart Meter hearing. So, M, W or Thurs afternoons are my only possibilities, (Friday a possibility also with some rearranging), and my afternoon timing could be unpredictable depending on how long the hearings go and where we get scheduled on the agenda.

Ugh. I guess there are worse things than to be trapped in London (especially when your alternative is QF meetings), but it is still an anxious situation. I hope Frank can get home safely, soon. My brother had to scrap his plans for a Greek wedding. :(

How about we try for early next week? We'll poll the IOUs/QFs/TURN/DRA and come back to you with some options.

So no possibility of getting him at all this week, fyi. Maybe the parties can just settle everything amongst yourselves this week and you won't need us at all!
