Subject: RE: Updated: Confirmed: QF Summit update from parties

Thanks, Trina.

It turns out that Paul Clanon is going to do the Senator Florez hearing for us, so therefore I will be here in SF. [Redacted] just emailed to say that she and Michael and Jerry will be meeting together all day Monday, so they'd like to come join us at the CPUC. If you (or any of the other utility folks) would like to do the same, that would be fine, too. Probably we still need the phone for some, but for those who can, in person is fine, too. Thanks.

Julie
