Great - thanks!

Yes - I never thought I'd make that move either - but downtown Oakland is pretty cool...and just better value for the money - including a washer/dryer "in" my apartment!

Hi Cheryl, thanks for the heads up, I'm happy to be a reference for you although it sounds unlikely you'll need it. Your move sounds exciting, I never thought you'd move out of the City! But I guess you're just subbing one city for the other. I've missed the last couple of poker nites, hoping to make it to the next one.

Hi Trina -

I just wanted to give you a heads-up that I put you as a reference on a recent SOQ for experience in Loretta's office. The SOQ itself was required to include references. Since it's for a DRA position and they know me, you may not even be called - but just in case.

I feel like I haven't seen you in ages - not even in passing in the hallways! Maybe some upcoming poker party. I may have one at my new place at some point. I just moved to downtown Oakland (the Uptown area, actually) a couple of months ago and I'm loving it - right between the Fox and the Paramount theaters, so I'm still getting a great mix of living in urban culture and a short hop into the city.

I hope all is well with you -

cheryl
