Subject: Re: A.08-09-007 PG&E and PPA with Russell City Energy Center

Your Honor -- TURN expects to participate in any PHC held in this proceeding. However, the suggested April 30 date does not work for

us because of a long-scheduled off-site staff/board planning meeting set for that date. If there is a PHC, I would request that it be scheduled on an earlier day that week or any day the following week except for Tuesday, May 4. Thank you for your consideration of this request. Mike Florio for TURN
