Subject: RE: Update

Hi Carlos,

We're attempting to go "live" with the website changes we discussed by later today if possible, including OP2. I'll keep you posted.

Thanks,

Jon

Hi - can you provide me with the status of PG&E's implementation of OP2 from Resolution E-4250?

Subject: update

Carlos, following up on our phone call I wanted to let you know that we've had some preliminary discussions internally this afternoon and we think we can implement your four points fairly quickly. Folks are working on that as I write this, and I suggest we touch base tomorrow morning with a more detailed update.

Trina
