Subject: Pathways event on Treasure Island

Bill (or
Van),

Just left you a voicemail about this. James Bryant, CEO of JBR Partners (a Bayview/Hunters Point solar/workforce development collaborative) would like to attend your Pathways event to get a better understanding of PG&E's efforts in workforce training. Commissioner Simon envisions a mutually beneficial connection between PG&E and JBR Partners given your shared goals.

Please advise as to whether it's feasible for Mr. Bryant to attend the Treasure Island event -- and if so, provide details on date and specific location.

Thank
you!

Best,

Paul
