David,

How about Monday at 3pm? We will probably focus on Questions 6 and 7 so it would be good if Gary J. were available. We shouldn't need more than 30 minutes for the call.

Regards,
Sean

Sean:

Attached is PG&E's response. What time works best for you to discuss the response? Thursday morning/afternoon works best for us. Tomorrow might be difficult, as one key person might not be

available.

Thanks,
David
